

The Neebing News

Volume Seventeen, Number Six

June 2022

Upcoming Events Announced!

The Recreation Committee after their meeting May 09, 2022, is happy to announce 2 of their events to be held on:

Canada Day, July 1, and the **Thanksgiving Harvest Dinner, on Oct 8**. It was felt that the Covid protocols required for the first event could be met as ALL activities would be held outside the Municipal Office in the grounds, using tents where necessary, and the second, at Blake Hall, aka Century Hall, could also be managed in a safe way inside.

Canada Day will consist of many of the same activities of the past but also include a few new ones, ie. Poster contest, children's games and face painting, Barbecue, entertainment, attendance prizes, games, a Canada Day Cake, along with a scavenger hunt, a petting Zoo, and several local outdoor organizations now found in Neebing who will be present and ready to answer your questions.

Since the event begins at noon, bring the family, come early, enjoy some lunch, listen to the music, and visit the exhibits, and then at 3 pm, the draws and prizes will be announced. It promises to be a fun day for young and old!

On **Oct 8th, the Thanksgiving Turkey Dinner** will be held once again at Blake Hall, complete with roast turkey, dressing, gravy, roast vegetables, and dessert. Tickets will be available at the Municipal Office in early September. The price for this old fashioned home cooked meal is \$20, so get your friends and neighbours together and come join us to celebrate this wonderful community!

For more info, call Karen at 577-2475, or Penny at 964-2270.

HOPE TO SEE YOU THERE!

Contact Us - Municipality of Neebing

Complaints, Concerns, or Questions: Want action on a problem? Want answers to your Municipal questions? Get accurate information right from the source: www.neebing.org or call the office at 474-5331. Report your concern, voice your complaint, or get answers to your Municipal questions with the click of a mouse or a phone call.

Emergency Road Condition Reporting: If you encounter an emergency road condition such as a washout, a sinkhole, etc., please call the Municipal Office direct 474-5331 even if you are calling outside of regular office hours (Mon - Fri 9am - 5pm). Leave us a detailed voice message as the municipal voicemail is monitored to help us act quickly when such emergency issues occur.

Municipal complaints or concerns posted on social media forums or website pages not maintained by the Municipality are not monitored or recorded. Please, contact the Municipal Office direct - we are here to help!

Tax Sale

There is a proverb that "nothing is certain, except for death and taxes". But what happens if someone owns property and doesn't pay their property tax?

Tax arrears are the amount that remains owing on a property after the tax due date. Arrears have penalties applied to them at a rate of 1.25% per month, and the Municipality sends out arrears notices or statements to the property owner monthly.

In Ontario the Municipal Act sets out the rules for tax collection, and it states that when the arrears are more than two years old, the property becomes eligible for the tax sale process to begin. These years are not calendar years - on January 1, 2022 a property that has arrears dating from anytime in 2020 is eligible for tax sale.

Prior to the tax sale registration, Agriculture Canada will issue a Farm Debt Notice, informing property owners with a commercial farming operation that they can take advantage of a Federal Farm Debt Mediation Service. Non-farm owners can take the debt notice to a financial advisor. Options for property owners at this point include setting up a monthly payment arrangement, making a partial payment of the penalties and taxes more than two years old, or a combination of a lump sum payment and a monthly payment arrangement.

If no payments are made, then a Tax Arrears Certificate is registered on the property. Notices of the registration and final notices are sent to interested parties. When a tax certificate is registered, the only payment option is to pay off the entire balance due on the property.

The tax certificate is registered for a 9 month period, and the property owner can pay the tax sale balance, and even cancel a tax sale, up to the point of registration of the tax deed to the new owner. During the waiting period, in certain circumstances, it may be possible for a property owner to "freeze the clock" with an extension agreement. An extension agreement specifies terms and conditions, and if they are not met, then the clock starts the ticking again.

After the tax certificate has been registered for at least 9 months, the property can be offered for public sale by sealed bid, with the minimum bid being the amount due for taxes, interest, and the tax sale processing fees. Neebing is currently advertising two properties offered for tax sale by sealed bid with the closing date of June 15 at 3 PM. More information about these two properties can be found on the Neebing website.

**FORM 6
SALE OF LAND BY PUBLIC TENDER**

Municipal Act, 2001

Ontario Regulation 181/03, Municipal Tax Sale Rules

SALE OF LAND BY PUBLIC TENDER

THE CORPORATION OF THE MUNICIPALITY OF NEEBING

Take Notice that tenders are invited for the purchase of the lands described below and will be received until 3:00 p.m. local time on June 15, 2022, at the Neebing Municipal Office, 4766 Highway 61, Neebing Ontario.

The tenders will then be opened in public on the same day as soon as possible after 3:00 p.m. at the Neebing Municipal Office, 4766 Highway 61, Neebing.

Description of Lands:

1. Roll No. 58 01 030 006 19200 0000; PIN 62273-0465 (LT); NE SUBDIVISION SEC 2 CON 6 BLAKE; NEEBING EXCEPT FORFEITED MINING RIGHTS, IF ANY; File No. 20-01

According to the last returned assessment roll, the assessed value of the land is \$16,900

Minimum tender amount: \$9,039.68

2. Roll No. 58 01 050 008 07700 0000; PIN 62275-0057 (LT); PCL 1155 SEC DFWF; SW 1/4 SEC 9 CON 3 PARDEE; NEEBING; File No. 20-03

According to the last returned assessment roll, the assessed value of the land is \$19,000

Minimum tender amount: \$8,468.66

Tenders must be submitted in the prescribed form and must be accompanied by a deposit of at least 20 per cent of the tender amount, which deposit shall be made by way of a certified cheque/bank draft/money order payable to the municipality.

Except as follows, the municipality makes no representation regarding the title to, availability of road access, or any other matters relating to the lands to be sold. Responsibility for ascertaining these matters rests with the potential purchasers. The assessed value, according to the last returned assessment roll, may or may not be representative of the current market value of the property.

Transfers of properties that contain at least one and not more than six single family residences and are transferred to non-residents of Canada or foreign entities, are subject to the Province's Non-Resident Speculation Tax (NRST).

This sale is governed by the Municipal Act, 2001 and the Municipal Tax Sales Rules made under that Act. The successful purchaser will be required to pay the amount tendered plus accumulated taxes and any taxes that may be applicable, such as a land transfer tax and HST.

The municipality has no obligation to provide vacant possession to the successful purchaser.

A copy of the prescribed form of tender is available on the website of the Government of Ontario Central Forms Repository under the listing for the Ministry of Municipal Affairs.

For further information regarding this sale and a copy of the prescribed form of tender, visit:

**What's Been Happening
at Council Meetings?**

Since the May edition, there has been two regular Council meetings and has also been two Special Council meetings on May 4 and 18. At the Special Council meeting on May 4, Council sitting as Committee of the Whole heard an application for a severance on Salo Road and an application for a validation order for a property on Jarvis Bay Road West. Recommendations from the Committee were ratified by Council at the regular meeting held later the same evening.

At the regular Council meeting on May 4, the following matters were considered:

- Council heard deputations from a member of the public regarding road conditions and from BDO Dunwoody regarding the 2021 Financial Statements.
- Council passed a resolution to support the primary care clinic in Kakabeka Falls.
- Council authorized Administration to provide assistance to Blue Sky Strategic Group with upcoming workshops.

At the Special Council meeting on May 18, Council sitting as Committee of the Whole heard an application for a severance on Cloud River Road West. Recommendations from the Committee were ratified by Council at the regular meeting held later the same evening.

At the regular Council meeting on May 18, the following matters were considered:

- Council reviewed and passed the 2022 budget.
- Council passed the by-laws to set tax ratios and tax rates.
- Council directed Administration to prepare for a second round of the FoodCycler food waste diversion program.
- Council directed Administration to submit delegation requests to Ministers at the AMO Conference.

This article contains only highlights from Council meetings – visit the website to see the approved minutes from each of the meetings. The minutes of each meeting are approved at the following meeting, and are posted on the website once they have been approved and signed. If you don't have internet capabilities, you can always contact the office for copies of approved minutes.

Meeting agendas are always posted online on the Friday prior to the Wednesday meeting. Come out and see what your Council is doing on your behalf. Feel free to contact the Municipal Office for further information or with input into any of the items that Council is considering. The meetings are now being held at the Municipal Office, but there is the option to attend virtually as well. The links to login to the meetings are posted on our website in the calendar details.

Neebing Emergency Services by Dale Ashbee, Fire Chief, Neebing

Fire Safety Tips for June

Over the recent months of our seemingly 'perpetual winter', it began to seem that we were perhaps experiencing a foreboding of a two season 'climate change'. Finally, with the arrival of some summer-like temperatures and several episodes of heavy rain, Neebing was able to say farewell to most of our heavy winter snow accumulation. Although the heavy rain-fall conditions resulted in some localized flooding, the welcome heat and moisture appears to have accelerated our Spring transition to near normal conditions. We now enjoy the pleasures of viewing verdant green grass, hummingbirds at the feeders, and perennials such as marsh marigolds and tulips bringing bright colours of spring. For this we are thankful!

We are now free to direct our focus toward the many outdoor summer activities such as; barbecuing, gardening, hiking, fishing, swimming, boating and numerous other recreational opportunities that we are so fortunate to have located 'on our doorsteps'. It is now time to redirect our **winter fire safety behaviour mode** - transitioning from primarily an *inside home fire safety focus* to now include an *outdoor fire safety perspective* designed to ensure the safety of our family and guests as they participate in a plethora of outdoor pleasures.

Although a serious **wildfire event** (perhaps started by a lighting strike) is of real concern in any forested area such as Neebing, most summer fires in Neebing are human caused as residents participate in common summer activities involving ; campfires, BBQs, trail riding (when hot exhaust pipes might easily ignite trail grasses), and even smoking. All can quickly generate unintended fire situations, fortunately these fire starts are usually noticed quickly and a 911 call for help ensures that the fire is extinguished before it has the opportunity to grow.

It is important throughout the summer

months to remain diligent in our activities to ensure that we are not creating unnecessary fire threats. For example, - a lit BBQ, positioned too close to a building perhaps to get it out of the wind, can quickly melt or ignite house siding. Similarly, a BBQ positioned inside a garage or shed to get out of the rain, can create a serious CO poisoning hazard! Garage or shed doors must be left wide open to avoid the buildup in CO levels, and allow plenty of fresh air inside! The difficulty in recognizing a CO hazard is that CO is odourless and goes unnoticed until too late. Of particular note early in the season is the reality that wildfire hazard is particularly high during the period between 'snow melt' and 'green-up'. During this time period, last year's leaf/grass debris, as well as fine-fuels collected on the forest floor, provide fuel for an easy fire start. The resulting fire spread is especially rapid during periods of dry, windy and hot weather. Although fire danger conditions improve to a degree following green-up, any extended period of hot, dry weather (such as we experienced last summer) can quickly turn a **Low Hazard** fire rating to **High** and **Extreme** conditions in only a few days.

Be sure to monitor the weather and updates on fire hazard levels over the summer, and adjust your activities accordingly. In High and Extreme fire conditions, simple activities such as cutting grass or trail riding have resulted in fires requiring a Fire team response. When things are hot and dry, a simple spark from; metal blades striking unseen objects in the grass, from hot exhausts and from discarded cigarettes can be sufficient to ignite dry fuels. Remain aware of the fire pre-conditions in your area, as they can vary across a community the size of Neebing, where elevation change and proximity to Lake Superior can result in varied conditions on the same day. Enjoy the Summer!
Stay Safe

4-H NEWS

With the restrictions of Covid being lifted
THE THUNDER BAY 4-H ASSOCIATION

Will start running their programs this Summer!

At present 2 new volunteers have joined the 4-H association and are starting a Beef Club. If your child is between 9(before January)and 21 years of age and interested in learning about Beef and the 4-H Program contact: Linsey at 807-622-9208 A registration fee is required. Other programs will be offered if interest is received.

At this time we are looking for adults (over 18)to help keep 4-H in our area. If you enjoy crafts, cooking and agriculture or small animals come join our team.

For more information go to 4hontario.ca or

Contact: Jean at 807-935-2587

Fire Permits and Fire Safety Tips to Keep Your Summer Fire Safe Summer

A few common safety tips to help with safe summer burning:

- **Fire Permits** are required for all open fires in Neebing during the summer (fire permits are available 24/7 online at: www.neebing.org)
- **No DAYTIME** open fires are allowed in Neebing during the fire season.
- Never burn in **windy conditions**.
- Avoid starting a fire in **High or Extreme Fire Hazard conditions**.
- **Never start** any fire when a **Restricted Fire Zone** is in place.
- **Burn on calm evenings** when humidity levels are highest and winds are low.
- **Ensure** there is a 'fuel free' buffer area between your **fire site** and **other combustible materials**. (Fire can spread extremely quickly in fine fuels such as dried grass, whereas green mowed grass, gravel or bare soil will make it more difficult for fire to spread)
- If things start to go wrong with your fire, **CALL 911**, and **get help on the way**.

Neebing Fire Permits include a number of necessary requirements that when followed should provide a safe burning experience for the permit holder.

If you wish to make your property more resilient to wildfire threats, take a look at the **FireSmart Guidelines**. These guidelines are designed to help you identify the fire threats on your property and to make improvements that will enhance the resilience of your property to wildfire threats.

FireSmart Guidelines are viewable at:
<https://www.ontario.ca/page/firesmart-landscaping>

Patio Heater Safety Tips

The use of gas patio heaters and outside fireplaces are becoming increasingly popular, both for personal comfort on cool days or evenings, as well as for their aesthetic appeal. While these units do not generally require fire permits prior to their light-up, there are a few fire-safety tips to be considered while using them. If you are using a propane unit as your fuel source, look for a **CSA sticker** to ensure that the unit meets Canadian safety standards. You also need to be aware that all gas fired units generate heat, so you must ensure that the unit you are using is placed such that any open flame does not reach within 3' of any combustible material. If you are using a liquid-fueled unit, ensure that the unit is

stable, and that the unit has been turned off and cooled sufficiently to be 'cool to touch' **before refueling**. Liquid fuels vapourize quickly and can be readily ignited by residual heat in the unit, potentially causing injury to any persons close by. Additional information on safe use of gas patio heaters can be found at:

GOOD NEWS!

The Cafe is about to reopen!

June 9th and 23rd, please join us in an
 outdoor cafe at Pinegrove United Church
 100 Hwy 130
 at our usual time 11 AM to 1 PM.

Bring your favourite lawn chair and lunch
 will be served (outdoors, in the interest
 of safety due to covid 19)!
 Admission is free and all are welcome.

*Rain plans are to move inside
 and socially distance*

**Seedling Swap
 Gillies Community Centre
 Sunday, June 5 Noon-4:00**

This is an outdoor event:
 Tailgate style. Please bring
 your extra seedlings,
 perennial divisions, bulbs,
 corms, tubers, cuttings to
 swap or sell!

If you have gently used garden
 tools or books those are great too!

Looking forward to a lively get together with
 fellow gardeners to chat, plan, swap and get back into
 gardening after such a long winter.

Register for a vehicle spot
 (encouraging sharing with a friend as there is limited
 space!)

at alegriafarmandgarden@gmail.com

A \$10 donation to Gillies Community Centre is encouraged.

PLANT SALE!
 ANNUALS ~ PERENNIALS ~ HERBS
 + Treats & Crafts!

**Sunday, June 12
 9am - 12 noon
 Kakabeka Legion Parking Lot
 4556 Hwy. 11/17
 Same time as Legion's Sunday Buffet!**

- A KICK-OFF FOR THE 2022 KAKABEKA FARMERS' MARKET SEASON! -

Hymers Fair News

The time has come to start thinking about your entries for the Hymers Fall Fair! There are only a few months left to get everything together and ready to WIN. And even if you don't score a red ribbon, this is a great way to get involved with the fair and meet some new folks. It's been so long since we've come together to share our love of agriculture and home crafts. Let's put together a great display for fairgoers to enjoy our way of life! There are two new categories this year:

Maple Syrup and Liquid Honey—Please check the website for the rules and regs around these new categories.

Prize Books will be available around the end of June in print and online. Check the regular spots to pick up a print copy or find a list on the website to see where you can get yours.

Volunteers are still needed. Please contact volunteers@hymersfair.com to sign up and get more details!

Chix in the Stix Going Green

Green isn't usually my colour. At least not one that I wear very often, if ever. But I tell ya, I have never been so happy to see green than I have been this past month. And boy oh boy the trees seem to know how long we've waited and are making up for lost time. Hallelujah! I feel like those buds and leaves literally burst forth overnight. Better than time lapsed photography. It has been simply marvellous. After such a long hard winter with a very wet departure, I am cherishing every second of every minute of this spring and plan to do the same all summer long. You should too. And let's remind one another if we slip up and start taking it for granted. We, YOU, have worked too long and hard to get here. We have shovelled and ploughed too much snow, trodded through too much mud, and so much more. And let's not forget the pot holes and road damage we have endured. And it feels like FINALLY we're here on solid ground. And of course there will be more storms and challenges and extreme weather in the weeks ahead but I think we've proven that we've got what it takes to rise above, to lend a hand, to keep our wits about us and our sense of humour and not just thrive, but survive! I will admit there were days when I dreaded looking at the weather forecast. Winter was hard. But I'm trying now to shake it off and move on to the good stuff! There are so many things I am looking forward to and I am going to relish every single one. Like the farmer's fields which is always top of my list. Right now I am loving the prepping of the soil. I'm not a farmer but I think it's disking or harrowing but I hope farmers won't be offended if I've got that wrong. I do know that it looks like a giant zen sand art display and it makes me very happy. And there will

be the anticipation of the 'big reveal' when the fields shed their plastic covers. I love that part. And I look forward to the waving corn stalks, the bright yellow canola. Baby cows. Baby deer. Baby chicks. All.of.it. And I don't want to rush things but I'm already looking forward to farm fresh veggies too. The anticipation of those home grown beef steak tomatoes and long English cukes alone makes me grin. And so much more. I think part of my over the top excitement this year is because on top of the feeling like we are shedding at least some layers of Covid, our family has had a hard year. Our youngest child, who remains unwell, was so very unwell last spring and summer that it's all a blur to us and getting outside was simply not happening much. So this feels like such a huge blessing to be able to experience it all even a little bit. Simply going outside, which we used to take for granted, and which was suddenly just not possible, is back on the table and it feels great. We are planting wild flowers. Planting vegetables. Listening for the owls at night. Having weiner roasts under the stars. Seriously the first night I heard the spring peepers I literally cried. And when those geese came home. And the cranes. And the pelicans. I don't think I'll ever take any of it for granted again. Dare I say I even enjoyed the smell of the first skunk-of-spring. So yeah, if you want a dose of positivity and optimism this year I'm your gal. Funny how life does that. Takes you on a journey you didn't ask for and frankly could live without, but brings you out the other end with a whole new appreciation for just about everything, but especially spring in the country! It feels like spring fever and I just can't get enough!

MURILLO MINOR ATHLETIC ASSOCIATION

2022 SPRING SOFTBALL LEAGUE

Hello Everyone! The 2022 MMAA youth softball season began on Monday May 9th. Conditions have been a bit cold and wet to start, but that is what a country league is all about. Our league is all about FUN, FRIENDSHIP and FITNESS. The season winds up on Saturday June 25th with our annual Tournament and BBQ Day. We have 320 registered players from over 200 families coming from far and wide; town and country. There are 27 teams in 5 divisions: 6 each for T-Ball, 3-Pitch and Atom; 5 PeeWee and 4 Bantam. Games are played weekday evenings on the five ball diamonds behind the Murillo Community Centre starting at 6:30 pm – so plan to come on out and cheer on our youth.

Thank you to the more than 80 volunteers who will be coaching our players and helping run the league, and to the Municipality of Oliver-Paipoonge for the ongoing support with facility maintenance. Finally, thank you to the local businesses that have sponsored teams, provided support, and/or donations. These are:

Neebing Fire/ Rescue Association NFRA News

Respectfully submitted: Joy Harris, President NFRA

June! It brings warm weather, recreation and many opportunities to help and recognize our terrific Emergency Services team here in Neebing!

Do you like to bake?

We'd love your contributions for the upcoming **Bake Sale** table at our June 18th Tailgate Sale. (Even no-bakes are welcome, we don't judge :) Anything from cookies to breads to bars and *everything* in between is welcome.

If you can donate treats/baking, please call **Karen at 475-0269** or email us at NFRAsvents@gmail.com.

ONLY 3 WEEKS LEFT to get your tickets for the NFRA Firewood Raffle!!

Just imagine, 10 cords of cut, split seasoned birch, delivered to your property, freeing up your summer from hours of cutting and splitting. Now that sounds nice!

Our 2nd and 3rd prizes are pretty terrific too! Get your tickets soon, you wouldn't want to miss this opportunity!

You may know that Neebing Fire/Rescue Association (NFRA) was formed to raise funds for Neebing Emergency Services (NES) because the residents of Neebing (formerly Blake, Scoble, Pearson, Crooks and Pardee) saw the need and value of having emergency help close to home.

Many of us have had the, sometimes unfortunate, need to call for help. The amazing response time and high level of expertise NES brings can reassure us even on often our worst day. They respond to over 100 calls per year, for us.

NFRA is gathering stories of your experiences with NES in what we're calling "Tell Me A Story". Your real stories, told anonymously or not, will be collected and randomly published in upcoming issues of the Neebing News to 'bring home' how valuable NES is to our community and show how lucky we all are to have such a highly-trained team standing by for our calls.

Send your story to: nfraevents@gmail.com and thank you for sharing.

Thank you for the support you show us.

Be safe, be well and be kind.
Joy Harris, NFRA - President

YUM!

OUR JUNE 18TH TAILGATE SALE NEEDS YOUR BAKING CREATIONS

WE NEED YOU

If you like to bake, please call:
Karen @ 475-0269
Or email: NFRAsvents@gmail.com

Attention All Bakers!

- BREADS & BUNS
- COOKIES
- PIES & TARTS
- BARs & PASTRIES
- Etc.

Speaking of baking and raffles, make sure to mark **Saturday JUNE 18th** on your calendar!

The **NFRA Tailgate Sale** will be held that day from 10am to 2pm on the Neebing Municipal Office grounds, 4766 Hwy 61. (See poster for parking details)

There will be local vendors, a BBQ food booth, penny auction, community bake sale, children's activities, fire safety demonstrations, displays by OPP, MNR, Eco Superior, Municipality of Neebing and more!

This event will also include the **live draws** for the **Firewood Raffle prizes!** It's a day you won't want to miss.

Be 'Bear Wise' and Prevent Bear Encounters

Who to contact

Not every bear sighting is an emergency situation. Here is who to call if you encounter a bear.

Emergency situations

- Call 911 or your local police if a bear poses an immediate threat to personal safety and exhibits threatening or aggressive behavior, such as:
 - enters a school yard when school is in session
 - stalks people and lingers at the site
 - enters or tries to enter a residence
 - wanders into a public gathering
 - kills livestock/pets and lingers at the site
- Police will respond first to an emergency situation, but may request assistance from the Ministry of Natural Resources and Forestry during daylight hours.

Non-emergency encounters

- Call the toll-free Bear Wise reporting line at **1-866-514-2327 (TTY 705-945-7641)** if a bear:
 - roams around or checks garbage cans
 - breaks into a shed where garbage or food is stored
 - is in a tree
 - pulls down a bird feeder or knocks over a barbecue
 - moves through a backyard or field but does not linger
- This line operates 24 hours a day, seven days a week, from April 1 to November 30.

If you encounter a black bear

When bears are caught off guard, they are stressed, and usually just want to flee.

Stop. Do not panic. Remain calm. Generally, the noisier the bear is, the less dangerous it is, provided you do not approach. The noise is meant to "scare" you off and acts as a warning signal.

DO

- Slowly back away while keeping the bear in sight and wait for it to leave.
- If the bear does not leave, throw objects, wave your arms and make noise with a whistle or air horn.
- Prepare to use bear spray.
- If you are near a building or vehicle get inside as a precaution.
- Drop any food you may be carrying and slowly move away.
- If a bear is in a tree, leave it alone. Leave the area. The bear will come down when it feels safe.

DO NOT

- Run, climb a tree or swim.
- Kneel down.
- Make direct eye contact.
- Approach the bear to get a better look.
- Attempt to feed a bear.

Bear warning signs

Black bear attacks are extremely rare. A threatened or predatory black bear will give off warning signs to let you know you are too close. A black bear standing on its hind legs is not a sign of aggressive behavior. The bear is trying to get a better look at you or catch your scent.

A defensive bear

A bear that feels threatened will:

- salivate excessively and exhale loudly
- make huffing, moaning, clacking and popping sounds with its mouth, teeth and jaws
- lower its head with its ears drawn back while facing you
- charge forward, and/or swat the ground with its paws (known as a 'bluff' charge)

A predatory bear

The bear will approach silently, usually in rural or remote areas, and may continue to approach regardless of your attempts to deter them by yelling or throwing rocks. If the bear attacks:

- use bear spray
- fight back with everything you have
- do not play dead unless you are sure a mother bear is attacking in defense of her cubs

For more information on what to do about encountering bears, visit <https://www.ontario.ca/page/prevent-bear-encounters-bear-wise>

WOMEN'S INSTITUTE RECIPES

Look for our ad this month for Slate River Women's Institute Annual Strawberry Festival to be held at the Kakabeka Legion, July 14th. We're back on track and looking forward to getting together over strawberries, cakes and ice cream.

Everyone looks forward to the first fruit of the season-rhubarb. It is interesting to note that it was better known in the past as a dessert vegetable and as the pie plant. As kids we always enjoyed taking a cleaned stalk and dipping it into a bowl of sugar before chopping down on that sweet and sour snack. Because it is sour, rhubarb recipes often add a sweet fruit such as apples or strawberries to make delicious crisps cobblers, cakes and jams. Or simply make a compote by stewing the rhubarb with enough sugar to sweeten. Here is a simple rhubarb chutney recipe to serve with roasted meats or chops throughout the year.

RHUBARB CHUTNEY

- | | | |
|-----------------------|------------------------------|---------------------------|
| 6 cups sliced rhubarb | 5 cups chopped peeled apples | 4 cups packed brown sugar |
| 1 tsp. whole cloves | 1 tbsp. grated ginger root | 1 cup raisins |
| 1 tsp. salt | 1 tsp. cinnamon | 1 1/2 cups vinegar |
| | | 1/2 cup water |

In a large, heavy pot, combine the rhubarb, apples and sugar. Tie the cloves in cheesecloth. Add to fruit along with the ginger, raisins, salt, cinnamon, vinegar and water.

Bring to a boil and then reduce heat and boil gently, stirring often until thickened in about one hour. Remove the clove bag. Pour into sterilized canning jars. Seal and water process in a boiling water bath for ten minutes. Makes 9 cups.

This second spring recipe is a crustless quiche. Whenever I get asked to a potluck, this is my favourite contribution and it is economical, always a hit, quick to make and easy to transport. It is wonderful for a luncheon, for brunches and suppers. Just add a salad and some crusty bread to complete the dish. Don't be shy to vary the ingredients. For example, try different greens such as spinach rather than broccoli or vary the cheese with some local Gouda cheese.

CRUSTLESS QUICHE

- | | |
|------------------------------------|---|
| 2 cups chopped cooked broccoli | 1 or 2 cups of chopped cooked chicken or diced ham or 1 cup flaked tuna or salmon |
| 1 1/3 cups shredded cheddar cheese | 2/3 cup of chopped onion |
| 1 1/3 cups of milk | 4 or 5 beaten eggs |
| 1/2 tsp. salt | 3/4 cup of Bisquick |
| | 1/4 tsp. pepper |

Heat your oven to 400. Oil a large pie plate.

In a medium bowl, mix together the chopped broccoli, cheese, chicken or diced ham or drained and flaked tuna or salmon. Mix in the chopped onion.

Pour the mixed ingredients into the large greased pie plate.

Beat the eggs with the milk and the Bisquick mix until smooth.

Add the salt and pepper then pour this on top of pie mixtur. Lightly stir together.

Bake for 30 to 40 minutes until a knife inserted in the center comes out clean.

Morning session 10 am - noon
Afternoon session 1 pm - 3 pm

Pre-booking takes priority over drop-ins

Please call the library at 939-2312 for more information or booking.

Please bring indoor shoes!

Lakehead Region Conservation Authority

submitted by LRCA Staff

The 2021 Lakehead Region Conservation Authority Annual Report is now available on our website. Physical copies are being distributed via the Chronicle Journal and will eventually be available at our Administrative Office upon publication. We are proud of the work completed during 2021 and look forward to continuing our mission to lead the conservation and protection of the Lakehead Watershed in service of our vision of a healthy, safe and sustainable Lakehead Watershed for future generations.

Please keep an eye on our website for upcoming summer events information!

If you plan on visiting us at a Conservation Area this summer, consider purchasing an Explore Card Parking Pass! Forgo The \$5.00 per vehicle day use parking fee for one calendar year with an Explore Card. If you visit us more than eight times this season, the pass will have paid for itself! Explore Card Parking Passes are available for purchase online at our webstore at www.store.lakeheadca.com, at our Administrative Office located at 130 Conservation Road in Thunder Bay, or by calling us at (807) 344-5857. Only \$40.00 +HST.

2022 Neebing Burning Permits

April 1st marks the start of the Fire Season in Ontario. In Neebing, a burning permit is required for all open air burning from April 1st to October 31st.

Beginning April 1st, burning permits will be available on our website 24 hours a day.

Visit www.neebing.org/firepermits

Daytime burning is not permitted during the Fire Season.

You may ignite the fire no sooner than two hours before sunset and you must extinguish the fire no later than two hours after sunrise.

~ Municipality of Neebing Fire Department ~

NEEBING LANDFILL NEWS

Summer Landfill Hours

A reminder that summer hours start at the landfill on April 1st

Saturdays: 9:00 am to 5:00 pm
Sundays & Wednesdays: 4:00 pm to 8:00 pm

Garbage Bag Tags

Regular household garbage requires a Municipal Garbage Bag Tag. Pick up your tags at the landfill sites directly during regular hours of operation. You must present photo ID to the attendant in order to receive your tags.

Back to Bags for Plastics & Cans

Please BAG your plastics and cans. Clear and blue bags are recommended. Bags help to keep the mountain of recycling much more manageable. Cardboard does not have to be bagged, only flattened.

PLEASE FLATTEN BOXES

PLEASE FLATTEN CARDBOARD BOXES

Help us recycle even more by flattening your cardboard. It's as easy as opening the top of the box!

- 1 Remove all packaging from box

- 2 Open the bottom of the box the same way you opened the top

- 3 Flatten the box completely

- 4 Place in recycling bin

The Rural Pharmacist: On The Mooove in Kakabeka Falls: New Location Now Open!

by Henry Tempelman, Pharmacist/Owner

It's hard to believe moving day has arrived. We've watched our new building project develop over the course of the last 9 months as our pharmacy team served the community from our location next door. We've been waiting and looking forward to our new space as we watched each wall go up one at a time.. and now it's here! As of May 30, you can find us in our new location at 4785 Highway 11/17 in Kakabeka Falls, which is a next-door neighbour to our location for the last 5 years.

We want to thank everyone in our community who has supported us in any manner over the last 5 years. Whether it's been a kind recommendation of our services to a friend or neighbour or utilizing our pharmacy services and trusting us with your day-to-day healthcare needs - it's the community support that has made this project a real possibility to advance the access of health services in our community.

This marks another milestone for our pharmacy, but also a major milestone for the development of services in our community. We couldn't have imagined what the last five years would bring if you asked us when we first opened our doors.

- February 2017: We opened the doors to our first pharmacy location in Kakabeka Falls.
- January 2018: We opened the doors to our Rosslyn pharmacy location.
- November 2019: Both locations become 100% locally owned by pharmacists and partners Henry Tempelman and Devon Myers.
- April 2021: Rebranding from IDA Pharmacy to Evergreen Pharmacy.
- May 2021: Announcement of the building project for a new pharmacy building in Kakabeka Falls.
- September 2021: Perhol Construction Ltd breaks ground for the new pharmacy building in Kakabeka Falls.
- June 2022: Evergreen Pharmacy is open for business in new building in Kakabeka Falls!
- Tentatively August/September 2022: New primary care clinic organization coming! (Announcement coming June 2022)

And that doesn't even count a pandemic that we (pharmacy staff and community) have all been working through together!

We truly appreciate the support of our rural community through these past five years. It's important to reflect on the growth of services in our community with your support. This project is evidence in the positive changes that strong support for local business can have when there is commitment from local business and community.

We'd also like to thank all our wonderful staff for their hard work and commitment to our patients. We have an amazing team of people who make our pharmacies a place where the focus is on the patient, and nobody feels like a number. We've grown from a staff of 4 people when we first opened in 2017 to 15 today (and growing!).

Now that we are open in our location, the work isn't finished. The last few weeks in our old location and first few weeks in our new location is a transitional period. We appreciate your patience while we settle in and get back to our regular workflow. We are very excited for the extra space in the pharmacy dispensary, our own private pharmacist consultation room for health teaching and vaccines, the extra computer workstations for more staff to access patient records to improve service, the extra space to expand services to provide addiction treatments such as methadone/suboxone and a larger over-the-counter medication selection.

You'll still find our lovely gift shop in our pharmacy, and good news: it's going to have more space too! A larger selection of gifts, including more local vendors, as we continue to grow and expand our collection so you can always find something unique for that special person (or yourself).

New to come: a coffee bar! We have a coffee bar with 6-8 seats where we will serve regular coffees, lattes, cappuccinos, espresso-based drinks, iced coffees, etc. along with baked goods and sandwiches. We are targeting an opening date in the second week of June. We have some new staff with friendly smiles that are just as important in the morning as that caffeine intake. Pharmacists are also at their best when they are well-cafeinated!

Now, the question that everyone has been asking: "What else is going in there?" We are finalizing the details, but by the end of June we expect to

have a public announcement with which organizations are going to be joining us in the new space. What I can say, is that this addition to the Kakabeka community is going to be another huge milestone that we can add to our list above. The clinic suite has four exam rooms with the opportunity for collaborative practice between allied health professionals providing services to the area. This presents so much opportunity to offer a multitude of services in a state-of-the-art space in Kakabeka, where there was previously no infrastructure for these types of services.

With that being said, the Good Doctors Telemedicine Clinic will be ending its operations in Kakabeka Falls. We want to offer them a sincere thank you to them for offering medical services to our underserved community. Unfortunately, there will be a small gap this summer where medical walk-in services won't be available in Kakabeka Falls, but it will be a small step back for two (or three!) big steps forward in the health services that are coming to the community! If you require refills and were depending on the Good Doctors clinic, our pharmacists are available to provide extensions on chronic medications, as necessary, or we can refer you to other walk-in clinics available in-person in Thunder Bay or via telemedicine.

Again, thank you to everyone for your support over the years! We look forward to serving you from our new home in Kakabeka Falls, and also continuing in our busy little Rosslyn location!
