## Fun Things Happening in Neebing

The Recreation Committee after their meeting May 09, 2022, is happy to announce the return of **Canada Day Celebration, July 1**. It was felt that the Covid protocols required could be met as ALL activities would be held outside the Municipal Office in the grounds, using tents where necessary..

Canada Day will consist of many of the same activities of the past but also include a few new ones, ie. Poster contest, children's games and face painting, Barbecue, entertainment, attendance prizes, games, a Canada Day Cake, along with a scavenger hunt, a petting Zoo, and several local outdoor organizations now found in Neebing who will be present and ready to answer your questions. Since the event begins at noon, bring the family, come early, enjoy some lunch, listen to the music, and visit the exhibits, and then at 3 pm, the draws and prizes will be announced. It promises to be a fun day for young and old!

For more info, call Karen at 577-2475, or Penny at 964-2270.  
**HOPE TO SEE YOU THERE!**

**EDITED: Harvest Dinner Event has been CANCELLED.**

### FOUNDERS PIONEER VILLAGE (OPENING JULY 2, 2022) FEATURING DUKE HUNT MUSEUM, RUSS' GARAGE AND THE PIONEER VILLAGE

Founders Pioneer Village has undergone some changes since it was last opened in 2019. Last year, museum employees, board members, friends of the museum, and our council representative, Alana Bishop, spent many hours packing, unpacking and setting up the Duke Hunt Museum in the newly renovated Slate River Hall located on the Founders Pioneer Village site at the corner of Hwy 61 and Gillespie Rd. While we were busy doing that, the Municipality of Oliver Paipoonge constructed a new building located on the east portion of the Founders property. This building, partially funded by a Heritage grant, is the new home for a large auto and speedway related donation from Russ Wanzuk. So now, in 1 location, you will have 3 different collections on display. With such a large area of buildings to view, we are asking if you would consider donating time with us to make this special place one of the best tourist attractions in the Thunder Bay area. The following is a list of placements or interests that we would appreciate your help with. Positions are available for students age 16 and up, and adults.

#### VOLUNTEER POSITIONS NEEDED

- ⊙ TOUR GUIDES
- ⊙ CHARACTERS (GARAGE PERSONNEL, MUSICIANS, DRAMA GROUPS, SCHOOL

- TEACHER, TRAIN RELATED PERSONNEL).
- COSTUMES ARE OPTIONAL.
- ⊙ SCRAPBOOKER
- ⊙ SEAMSTRESS/COSTUMER (MALE OR FEMALE)
- ⊙ DUKE HUNT BUILDING VOLUNTEERS
- ⊙ AUTO DISPLAY VOLUNTEERS
- ⊙ KITCHEN WORKERS
- ⊙ MUSICIANS/ENTERTAINERS
- ⊙ CRAFTERS TO ASSIST ON SPECIAL EVENTS DAYS
- ⊙ ANYONE WHO WOULD LIKE TO TEACH A TRADE OR CRAFT TO KIDS OR ADULTS
- ⊙ SPECIAL EVENTS PARKING ATTENDANTS
- ⊙ WE WILL CONSIDER ANY NEW IDEAS THAT YOU WOULD LIKE TO SHARE WITH US

There is a free short course that is mandatory for all workers and volunteers in Ontario to complete prior to starting a placement. It can be done on a computer or on paper at your own speed. Packages are available through the municipality office and arrangements to receive a package or computer link can be made by phoning the museum office at 475 7424 (we are not in the office all the time) or Jean Mayo at 620 3636.

*We look forward to hearing from you!*

HYMERS FAIR NEWS

It's only a couple of short months until the in person Hymers Fair 2022! Things are shaping up to be a grand success and The Board of Directors and volunteers are readying the

grounds and focusing on bringing everyone together for an experience we haven't enjoyed for too long. The excitement is real!!

Kids have planted their sunflowers and zucchini for the annual contest and folks are knitting, planting, canning and planning!! The prize book is available online and at all the regular places to pick up, peruse and figure out just how many ribbons to go for.

Throughout the summer, we host work bees on weekends for volunteers to come out to the Fairgrounds and help! Whether you're handy with a paintbrush, hammer or clippers, there's something for everyone to do. The day starts at 10 a.m. and runs through the day. Please email [volunteers@hymersfair.com](mailto:volunteers@hymersfair.com) and let us know you are coming so we bring enough lunch.

## Land Based Activities Promoted in Neebing

by Cindy Crowe

Many of us that live in Neebing already thrive on the abundance of natural space that we have and the important connection to the land. Whether you are a visitor or live here, or perhaps you are a farmer, hunter, enjoy fishing, boating, sledding, hiking or are an outdoor enthusiast, there is so much breath taking nature to enjoy here in Neebing.

As a senior with Anishinaabe ancestry, I am in absolute heaven living here. I moved here 4 and half years ago and have made this land my home and homestead for my descendants. I do what I can to provide awareness to anyone that is interested about why land based activities are so important to everyone, especially Indigenous folk. Our very identity is linked to our connection with the land, community, language, and our cultural practices. As an individual that used to suffer with identity based mental health issues, I understand why the connection to the land is vital to living a balanced life.

The name 'Neebing' I believe comes from an Ojibwe word 'Niibing', which roughly translates to 'in the summer'. I would say it is very appropriate for this land that is so special in all the seasons and especially in the summertime. I think about what our ancestors have been doing on this land for centuries and how those activities were in harmony with the land.

As a result of my own experiences and the charity and businesses that I support, my entire focus is about bringing land based activities to everyone, young and young at heart. Through the continued support and encouragement of the local council and staff of the Municipality of Neebing, I can provide land based activities to our visitors and residents of Neebing.

Some of my greatest entertainment and joy comes from this land including watching the goslings take their first swims from Little Trout Bay, up my little river in my backyard with their parents. As part of the hoof clan, I am always very moved by the deer stopping in and the mama moose and her baby (or yearling) each spring. There is also usually a bear that likes to stretch out on the grass on the other side of the river and munching on something delicious. I especially love to watch the 'ocean' of fireflies in the heat of the summer.

There is a free land based activity being offered by the charity Blue Sky Community Healing Centre entitled 'Honouring Nibi (Water) Beings' on July 20. You can email me at crowe@tbaytel.net for more information and to register. Watch for more free land based activities that will be promoted throughout the rest of the summer.

## What's Been Happening at Council Meetings?

Since the June edition, there has been two regular Council meetings on June 1 and 15.

At the regular Council meeting on June 1, the following matters were considered:

- Council heard a deputation from representatives of the Urban Abbey.
- Council passed a resolution to support the primary care clinic in Kakabeka Falls.
- Council reviewed correspondence from residents related to the Memory Road boat launch and the recycling bins at the landfill sites..

At the regular Council meeting on June 15, the following matters were considered:

- Council heard a deputation from a property owner regarding Pit Road.
- Council approved the inserts to be included with the final tax bills.
- Council reviewed requests for use of the Cloud Lake Boat launch to haul water for Ministry of Transportation highway improvement projects.
- Council reviewed a request for use of municipal road allowance for a fibre installation project near Boundary Drive.

There was a Special Council meeting held on June 29th but will be reported in the next addition of the Neebing News.

The summer Council meetings will be held on July 20th and August 10th.

This article contains only highlights from Council meetings – visit the website to see the approved minutes from each of the meetings. The minutes of each meeting are approved at the following meeting, and are posted on the website once they have been approved and signed. If you don't have internet capabilities, you can always contact the office for copies of approved minutes.

Meeting agendas are always posted online on the Friday prior to the Wednesday meeting. Come out and see what your Council is doing on your behalf. Feel free to contact the Municipal Office for further information or with input into any of the items that Council is considering. **The meetings are now being held at the Municipal Office, but there is the option to attend virtually as well. The links to login to the meetings are posted on our website in the calendar details.**

## Summer Fire Safety in Neebing

Although COVID is predicted to remain with us for some time yet, it is nevertheless wonderful to experience our steady transition toward a return to the pleasures of person-to-person contact and communication. While it is still prudent to adopt precautions (masking, gloves, distancing) in our approach to some situations, we

hope that going forward, our positive management of the pandemic situation will allow us all to put related health issues and concerns behind us ... moving forward with confidence and determination.

It was very gratifying to see a significant number of exhibitors, participants and community visitors present at the Tailgate Sale on June 18th. The weather was exceptional, and the bugs were (for the most part) 'considerate'. It was exciting to see and hear neighbours and extended family members happily engaging - catching each other up on the news of family and friends, and sharing stories that have been difficult to relate personally these past few years. A 'High 5' to the NFRA members who, after careful discussion and deliberation, decided to in fact go ahead this year with the delivery of the '2022' event - 'breaking the ice' per se. The committee successfully planned and presented our first 'live' event in Neebing since the beginning days of the pandemic. **Awesome Effort ... Excellent Result!**

Fire threats for July are heavily focused on outdoor activities, especially with regard to BBQs, campfires, fireworks, natural disaster events, smoking hazards and wildfire concerns. Fortunately, the cool temperatures and abundant moisture experienced in Neebing over most of our 2022 Spring have kept wildfire threat levels very low. However, a few days of hot, dry air, combined with a little wind, can rapidly elevate wildfire threat to dangerous levels! As wildfire threats increase, it becomes increasingly important to be cautious in all of our outdoor activities that might involve heat or flame.

The Ontario Association of Fire Chiefs provides an extensive and useful 'on line' resource of summer fire safety tips for a wide range of summer activities at: <https://www.oafc.on.ca/spring-summer-fire-safety-tips>. This is a great site to bookmark on your home computer or Smartphone, as it is able to provide you with a quick and easy reference if/when you have questions about fire safety concerns.

Those of us who are fortunate enough to live or recreate in our beautiful forested Neebing, must assume responsibility for ensuring that we do not inadvertently start a wildfire, damaging or destroying both the natural and human environment we so enjoy. **Wildfire** is a major summertime concern! In order to help minimize the threat of human-caused wildfires, both the province and the municipality provide fire-safe regulations to address the of hazards of potential fire-causing activities. These regulations in conjunction with; information on current **fire-threat levels**, awareness of **safe burning** practices and adherence to the requirements outlined on Neebing fire permits all help ensure that our community maintains a high level of resiliency to wildfire threats from within. **Be Fire Safe!!**

Following is a brief summary of key requirements for remaining firesafe during our regulated **FIRE SEASON (April 1 - October 31 inclusive)** each year.

- **NO DAYTIME BURNING is permitted in Neebing! Open fires are restricted to an earliest ignition time - 2 hours before sunset - and must be extinguished by 2 hours after sunrise.**
  - **FIRE Permits are required for all open burning** in Neebing during the fire season.
  - **Burn pile sizes are restricted during the fire season.**
  - **Ensure you have the proper tools and water supply available** (as written on your permit).
  - **NO Burning if wind is >15 kph.**
  - **Restricted Fire Zone or Fire Ban notices are put in place when conditions are High or Extreme. They Restrict all burning and much work being done in the bush.**
- Sunset, Sunrise and Wind conditions can be easily checked on the Environment Canada weather site at; [https://weather.gc.ca/city/pages/on-100\\_metric\\_e.html](https://weather.gc.ca/city/pages/on-100_metric_e.html), and **Fire Danger levels** are viewable on line on the MNR web site at; <https://www.lioapplications.lrc.gov.on.ca/ForestFireInformationMap/index.html?viewer=FIM.FFIM>. This mapping is updated daily and plots the danger levels geographically. In a municipality as large as Neebing with 10% of the world's freshwater to on its eastern boundary and rugged topography, conditions may vary in different areas of the municipality. Local Neebing weather conditions and regularly upgraded fire hazard levels are also viewable on the municipal webpage at [www.neebing.org](http://www.neebing.org). If in doubt about whether or not it is OK to start your fire, error on the side of caution and hold off until you are assured that conditions are safe.

**Smoke** in the air may be from local or distant fires, and a quick look at the Fire Smoke Map can be most helpful in identifying probable sources. <https://firesmoke.ca/forecasts/current/>

And please don't forget - if you think there is evidence of a fire in your area, or are having any difficulties controlling your own fire, or there are signs it is starting to spread beyond the boundaries established for it - **Call 911 immediately** so that help can get on the way to you quickly!

Enjoy Your Summer Safely!

## Emergency Fire Fighting Water Sources

A reliable and available supply of water is key to all fire fighting. In Neebing all water used in fire fighting comes from surface ponds, lakes or creeks with two large tanker trucks used to transport water from the closest available water source to the fire scene. Seasonal variations can greatly impact availability and accessibility to these water sources. Neebing currently has two Dry Fire Hydrants, one located at East Oliver Lake and the other at Little Trout Bay, that provide year round, 24/7, dependable and easy hook up to reliable water sources. Neebing Fire is looking at the potential to expand the number of dry hydrants in the community to im-

prove access to reliable year-round water sources for firefighting use. If you are aware of a reliable and readily accessible source of water in your neighbourhood, let us know and we will add it to our inventory of water sources in Neebing and assess it for potential as a future emergency dry hydrant location. Simply send an email, subject - Water Source - identifying the location of the water source to [neebing@neebing.org](mailto:neebing@neebing.org) or if you prefer call the office at 474-5331 and provide location details of your water source.

## Tips for Backyard Burning

- Don't burn when the weather is dry or windy.
- Only burn dry, natural vegetation, never trash or plastic.
- The site should be surrounded by 10 feet of dirt or gravel on all sides.
- Make sure to keep your burn small and manageable.
- Always stay with the fire until it is out, and drown the fire with water.

Hello Everyone! The 2022 MMAA youth softball season began way back on Monday May 9<sup>th</sup>. When you read this, the season will already have wound up on Saturday June 25<sup>th</sup> with our annual Tournament and BBQ Day. Conditions were a bit cold and wet to start, but spring finally came. Our ever popular league is all about FUN, FRIENDSHIP and FITNESS. This year we had 27 teams in 5 divisions: 6 each for T-Ball, 3-Pitch and Atom; 5 PeeWee and 4 Bantam - and over 320 players. Next season we can accommodate more teams and players in PeeWee and Bantam, so spread the word.

Thank you to the more than 80 volunteers who coached our players and helped run the league, and to the Municipality of Oliver-Paipoonge for the ongoing support with facility maintenance. Thank you also to the random donors of new softball equipment and supplies for the BBQ. Finally, thank you to the local businesses that have sponsored teams, provided support, and/or donations. These are:

## Chix in the Stix Voices in My Head

I am not very technologically inclined. I try to keep up with all the latest gadgets and programs. I may think I'm cool and hip. But I'm not. The fact that I just said 'cool' and 'hip' is a big clue. My non-tekkie nature has nothing to do with living in the country. Gone are the days when country residents were seen as 'hicks'. I may know rural folks who don't even own a computer but I have also seen the insides of a dairy farm operation and it looks like something from a sci-fi movie. So country definitely doesn't mean living in the dark ages. The way I see it we take the best of both worlds – the modern and the old school. I aspire to a nice mixture of both. I enjoy the feel of the forest floor under my feet but also like the feel of carpet with a nice plush underlay. I like the smell of a freshly fertilized farmer's field, but also like a good soy-based scented candle. I like freshly foraged nettle or rose petal tea, but also like a frothy iced-cap handed to me at the drive thru. I'll tolerate a few seconds of black flies up my nose (and in my ears and in my eyes and in my mouth), but I

also like when I'm safe inside and that's not happening. I love me some country hospitality, but also appreciate a good computer generated voice. That last one probably needs an explanation. I'm getting older but still try to be open to learning new things, including new technology. My adult kids are a big help despite their general frustration trying to teach me even simple things on my cell phone. Daughter recently introduced me to Bluetooth – that thing that lets one device communicate with another device. Or something like that. I'm not really sure how it works. I mean I had seen it on my phone but figured it was either too complicated or too expensive to use and would just mean another subscription, or worse, another password. I am still just barely recovered from all those forced Covid zoom meetings so still a bit gun shy. But then she gave me a pair of wireless headphones and showed me how to CONNECT to Bluetooth. And my world became bigger. I mean the wireless headphones alone are pretty cool and give me a whole lot of freedom of movement I didn't even know I

needed. I can now wander around my house and listen to music, podcasts etc. and even wander a ways outside. But for me the big revelation with Bluetooth was THE VOICE! Specifically MY Bluetooth voice. The voice that has been assigned to my headphones. Yours might be the same but I'm going to pretend she's all mine. And I know its computer generated and whatever but I don't care. Her voice is sweet and kind and motherly. She cares about me, I can tell. And when I climb into bed at night ready to turn my brain off with my latest Netflix binge, she gives me the sweetest "Hello" and I know she doesn't say so, but what she really means is "You are wonderful and thin and have worked very hard today and deserve to put your feet up and eat some carbs guilt-free and watch your favourite show." And when she recognizes my device and says "Ready to pair, battery full" I know what she really means is "I am here for you and this down time will recharge your inner battery and then you will sleep well and be ready to go for another day of wonderful country living." And when she says "Goodbye" I know what she really means is "See you back here tomorrow night my friend, your reward at the end of a long hard day. Stay well. I'll be waiting right here." She is like my private counsellor even though I know it's me putting the words in her mouth and into my head. But who knows better what I need to hear than me right? I can't believe I haven't given her a name yet. I have been told that if my headphones stop working that a new pair won't have the same voice. I'm having some trouble with that one and should probably start preparing now. I have wondered if male voices are an option but I'll leave that to your imagination. Motherly care and compassion is what I need right now. It's less about the technology and more about good old fashioned self-care. So there. I may not know how it works. I may be years behind. But that's okay. I'm here now and the timing for me was right. And the next time your friends suggest that you are a country hick who is not very tekkie just tell them about the crazy lady up the hill who thinks her Bluetooth voice is real and I promise you will suddenly look pretty darn good. Maybe even cool and hip.

Neebing Fire/Rescue Association  
 NFRA News  
 Respectfully submitted: Joy Harris, President NFRA

**NFRA's Tailgate Sale was a great success!**

The weather cooperated and the people came! On Saturday June 18<sup>th</sup>, NFRA held a Tailgate sale, penny auction, bake sale and BBQ.

We were very pleased to have representation from:

The OPP brought a police car to see up close. WOW, the backseat of a cruiser is VERY small!

The MNR had great interactive displays including target shooting with a fire-fighter water pack!

Smokey the Bear Joined in the Fun!

NES let attendees use the Pumper 10B's remote control target-shoot water from the roof-mounted hose!

The Neebing Municipal Office parking lot was lined with Tailgaters selling a wide variety of items. There was something for everyone!

The **easiest**  
 (and probably  
 the **loudest**)  
 test you'll  
 ever do.

Test your smoke alarms every month. #GetLoud

Tailgaters enjoyed a beautiful day and steady crowds

Inside of the building was bustling with delicious **Baking** being purchased by the armloads and the amazing **Penny Auction** prizes enticed many hopefuls to drop their tickets in the tubs.

Also outside was a **Kids Activity** area with fun prizes, a **BBQ** producing mouth-watering smells that attracted most attendees, a **Silent Auction** of high-value prizes and a table offering a last chance to buy **Firewood Raffle** tickets!

Thank you so much to everyone who came out to enjoy the day!

And a special thank you for all who donated their items, baking, time and effort to make this such a successful day.

**CONGRATULATIONS to the WINNERS of our NFRA Firewood Raffle!!**

**1<sup>st</sup> Prize** of 10 cords cut, split seasoned birch firewood with delivery, donated by Chaschuk Enterprises Ltd. Was won with ticket #2759 purchased by Candyce McKinnon

**2<sup>nd</sup> Prize** of a 16" Stihl gas Chainsaw, Ryobi Cordless Jet Fan Leaf Blower and Worx Electric Hedge Trimmer Was won with ticket #4093 purchased by Laura Plexman

**3<sup>rd</sup> Prize** of a Mastercraft Cordless Blower & Trimmer Combo, a Fly Racing Outpost Jacket and two \$25 Santorelli's Gift Cards Was won with ticket #2235 purchased by Margaret Stajkowski.

Thank you to **EVERYONE** who purchased a ticket for this raffle. Much needed fire equipment and training supplies will be purchased for NES, all thanks to **YOU**.

Special thanks and appreciation go to **Chaschuk Enterprises Ltd** for donating the firewood and delivery for first prize in this raffle. Their generous 'local thinking' have made this raffle what it is and will benefit us all! From this and the previous several firewood raffles, Chaschuk Enterprises Ltd has enabled us to raise **over \$50,000 for Neebing Emergency Services!** We can't thank you enough!

Many thanks also go to our other major sponsors:

- ❖ Home Depot
- ❖ Northern Turf
- ❖ Canadian Tire – Thunder Centre
- ❖ Canadian Tire – Arthur St.
- ❖ Excalibur Motorcycle Works Ltd.
- ❖ Santorelli and Sons Husky Car and Truck Stop

# Neebing News Online Editions – Get to the Links with a Click!

Neebing News articles often suggest visiting a website for more information. All of the web-link suggestions found in the paper publication become active links in the electronic online editions (or 'e-copy' edition) of the Neebing News. One click is all it takes. Once you open the e-copy edition, hover your mouse pointer over any hyperlink mentioned in a news story and 'Click' to follow the link. It will bring you directly to the websites. How convenient! The e-copy editions of the monthly Neebing News publication are available on our website: <https://www.neebing.org/neebingnews> or visit our website homepage and click on the feature box titled "Neebing News Publication" to find available e-copies.

We hope you find this feature of our Neebing News e-copy edition very useful. If you have any suggestions for Neebing News improvements or stories, contact us at [neebing@neebing.org](mailto:neebing@neebing.org).

# WOMEN'S INSTITUTE RECIPES

## CRUSTLESS QUICHE

2 cups chopped cooked broccoli salmon  
1 1/3 cups shredded cheddar cheese  
1 1/3 cups of milk  
1/2 tsp. salt

1 or 2 cups of chopped cooked chicken or diced ham or 1 cup flaked tuna or salmon  
2/3 cup of chopped onion  
4 or 5 beaten eggs  
1/4 tsp. pepper

3/4 cup of Bisquick

Heat your oven to 400.

Oil a large pie plate.

In a medium bowl, mix together the chopped broccoli, cheese, chicken or diced ham or drained and flaked tuna or salmon. Mix in the chopped onion.

Pour the mixed ingredients into the large greased pie plate.

Beat the eggs with the milk and the Bisquick mix until smooth.

Add the salt and pepper then pour this on top of pie mixture. Lightly stir together.

Bake for 30 to 40 minutes until a knife inserted in the center comes out clean.

***The last line of this recipe was cut off last month..apologies!***

Look for our ad this month on the front page for Slate River Women's Institute Annual Strawberry Festival to be held at the Kakabeka Legion, July 14th. We're back on track and looking forward to getting together over strawberries, cakes and ice cream.

The Rosslyn Womens institute members met at Pinegrove United Church for their June windup meeting.

A potluck supper was enjoyed by all - first with a fruit punch drink, many delicious appetizers and fellowship enjoyed by the ladies. After over two years of covid our branch was unable to meet regularly so there was a lot of catching up to do. Dessert, coffee and our meeting followed, which included the recognition of a new member. Upcoming events were discussed:

1. The Area Annual meeting to be held Oct 1, 2022. Held at Pinegrove United church hosted by the Vickers Gardens branch.
2. All branch members are asked to provide baking to be sold at Slate Rivers Womens Institute annual Strawberry Social to be held at the Kakabeka Legion on highway 17 - Thursday July 14. (7-9 p.m.) Proceeds from the bake sale will go towards our annual District Womens Institute continuing education scholarship.

Check out a couple of the tasty recipes from our potluck meal and enjoy.

### Sweet/Sour Meatballs

1 lb. ground beef. Mix 4 ingredients.  
1/3 cup bread crumbs. Roll into 30 meatballs and fry in oil. Drain meatballs.  
1 egg  
1 cup chopped onion

### Sauce:

3/4 cup water Place all ingredients in saucepan. Blend  
1/3 cup white vinegar Bring to a boil stirring constantly. Sauce will thicken  
2 Tablespoons soya sauce. Place with meatballs in a casserole. Bake covered at 250 degrees for  
3/4 cup brown sugar 2 hrs. Serve with rice. (You may add sliced red peppers while meatballs  
1/3 cup ketchup. cook)  
2 Tablespoons cornstarch

### Berry Blush Punch

1 can frozen berry punch (McCain is one brand u can use)  
1 can frozen lemonade  
1 litre pineapple juice (fresh is best) available in refrigerated juice section  
1 - 2 litre bottle of Ginger Ale (diet or reg) - pour in pop in slowly to prevent foaming  
1 dozen or so ice cubes

Mix together in punch or large bowl.

Add pop and ice cubes just before serving

Decorate with thinly sliced oranges, lemons, and/or strawberries.

After rhubarb, strawberries are often the first crop of fruit that is ready for harvest. It is definitely a part of our summer celebrations in the month of July.

Nutritionally they are packed with vitamin C, low in calories and high in fibre.

Interestingly, strawberry mythology says that strawberries are a love producing fruit beloved by the goddesses such as Venus and Aphrodite.

So, to celebrate this delicious berry, here is a hot milk cake recipe used for many years by the women of the Slate River Women's Institute.

This month's recipe was submitted by Doreen Rogers, a long time Slate River WI member. In the past Slate River WI members used to prepare the cakes for our Annual Strawberry Festival. We would each bake and donate 2 or 3 of these cakes which were cut into serving size pieces then served up covered with a mound of strawberries and a scoop of vanilla ice cream.

### HOT MILK CAKE

4 eggs 2 cups flour 1/4 tsp. salt  
2 tsp. baking powder 2 tbsp. butter  
1 cup of milk 1 tsp. vanilla

Beat eggs until fluffy. Add sugar, beat well. Add flour, salt and baking powder. Mix well.

Heat the milk, with the butter and the vanilla. Slowly add this to the first mixture.

Pour into a greased 9 by 13 pan. Bake at 350 for 30 to 35 minutes.

Now this cake can simply be cut into serving sizes and then on top of each serving add a good sized helping of strawberries and a big dollop of whipped cream or vanilla ice cream.

Alternatively, try out this icing recipe.

### YUMMY ICING

1 cup of brown sugar 1/2 cup butter  
2 tbsp. milk

1 cup coconut 1 cup chopped nuts  
Heat in microwave until butter is melted and mixture can be easily combined. Spread over top of cake after it is baked. Return the cake into the oven for about 5 minutes to set the icing and brown slightly.

## Lakehead Region Conservation Authority

submitted by LRCA Staff

The LRCA has some great events planned this summer, including Hazelwood Lake Family Fun Day on Sunday, July 17, 2022, and Little Trout Day by the Bay on Saturday, August 27, 2022. Regularly check our website for up-to-date information about upcoming events. Visit [www.lakeheadca.com](http://www.lakeheadca.com) for more information.

Registration for our Watershed Explorers Programs are up and running on our webstore. Each program features a guided experience at a Conservation Area, with topics such as butterflies, fish and aquatics, trees and fall colours, and a fall photography workshop. Space is limited and pre-registration is required.

Visit our webstore at: [www.store.lakeheadca.com](http://www.store.lakeheadca.com) to pre-register.

Funding for these programs is generously provided by the TD Friends of the Environment Fund.

The 2022 Explore Card Parking Pass is a great way to show your support for the LRCA while forgoing the \$5.00 per vehicle parking fee for one calendar year. If you plan on visiting our Conservation Areas more than eight times this summer, the Pass will pay for itself! Explore Cards are available on our webstore or at our Administrative Office for \$40.00 +HST. All Explore Card revenue goes directly towards the upkeep and maintenance of our Conservation Areas.

# Extreme Heat

Extreme heat can be dangerous for everyone, but people who work outdoors, the elderly, some people with disabilities, and children, particularly infants, are more vulnerable.

## Hazard Information

Extreme heat can make you sick with heat stroke, heat rash and/or heat cramps.

## Safety Tips

If you feel dizzy, weak or overheated:

- go to a cool place;
- sit or lie down;
- drink water;
- wash your face with cool water

If you don't feel better soon, seek medical help immediately.

If you are indoors:

- stay indoors to limit sun exposure
- take frequent cool showers or baths
- stay on lower floors if there's no air conditioning
- drink water and eat light, regular meals — avoid using salt

If you are outdoors:

- spend the hottest part of the day in air-conditioned buildings
- drink water every 15 to 20 minutes even if you aren't thirsty
- dress in light-coloured, loose-fitting clothing covering as much of your skin as possible
- wear a wide-brimmed hat to protect your face
- wear full UVA and UVB protection sunglasses
- apply sunscreen with SPF 15 or higher 20 minutes before going outside
- apply lip balm with an SPF 15 or higher

Prepare Now

Take the following steps so you and your family are prepared in the event of an emergency:

- cover windows that receive morning or afternoon sun with drapes, shades or awnings
- include extra water, sunscreen and sunglasses (with full UVA and UVB protection) in your emergency survival kit

## NEEBING LANDFILL NEWS

### Summer Landfill Hours

A reminder that summer hours start at the landfill on April 1<sup>st</sup>

Saturdays: 9:00 am to 5:00 pm  
Sundays & Wednesdays: 4:00 pm to 8:00 pm

### Garbage Bag Tags

Regular household garbage requires a Municipal Garbage Bag Tag. Pick up your tags at the landfill sites directly during regular hours of operation. You must present photo ID to the attendant in order to receive your tags.

### Back to Bags for Plastics & Cans

Please BAG your plastics and cans. Clear and blue bags are recommended. Bags help to keep the mountain of recycling much more manageable. Cardboard does not have to be bagged, only flattened.

**PLEASE  
FLATTEN BOXES**

## PLEASE FLATTEN CARDBOARD BOXES

Help us recycle even more by flattening your cardboard. It's as easy as opening the top of the box!

- 1 Remove all packaging from box

- 2 Open the bottom of the box the same way you opened the top

- 3 Flatten the box completely

- 4 Place in recycling bin

## The Rural Pharmacist: Yes, We've Moved! But Who's Joining Us?

by Devon Myers, Pharmacist/Owner of Evergreen Pharmacies

If you haven't had the chance to visit our new location in Kakabeka Falls, what are you waiting for!? With more products, more staff and wait for it ... more parking, our pharmacy has made a huge step forward in providing quality healthcare in your community. It never gets old saying it: the appreciation and the support we've received from our community is unmeasurable. And it has truly paid off for everyone.

Maybe you've heard the rumours. Maybe you've heard the whispers spoken quietly amongst close friends at a backyard fire pit. Who exactly IS moving into our new facility? Well, ladies and gentlemen, it's finally safe to announce the first company to join us. The NorWest Community Health Centre has announced that they will be expanding their services in beautiful Kakabeka Falls!

Many of you are already familiar with the NorWest Community Health Centre. They've been providing mobile health services to the residents of Oliver Paipoonge and surrounding areas (Neebing, O'Connor, Conmee and, Nolalu just to name a few) for over a decade. This company gets around. And what a perfect opportunity for healthcare providers to collaborate. This represents an opportunity for two companies with a similar goal, enhancing the accessibility of quality healthcare in rural settings, to work together for the benefit of our patients.

Although I cannot speak on their behalf, I can inform our readers of some of the services the NorWest Community Health Centre is planning to implement at their Kakabeka site. Some of the services offered will come from community health workers, nurses, and nurse practitioners. Referrals to specialists in diabetes, footcare, mental health and dietary care will also be available.

If you already utilize the mobile services offered by this healthcare team, don't worry! We've been made aware that those who require mobile services will still have access. It's like having the best of both worlds: NorWest Community Health Centre will continue to provide mobile services to those who need it most all the while expanding their services in a centralized rural location that services a vast number of patients.

Now, for the hard part. We know how much our patients relied on the Good Doctors clinic that was housed inside our previous pharmacy location. However, they did not make the transition to our new facility. With that being said, we truly feel that for a small, short-term step backwards, we've facilitated an enormous step forward. In only a few months, the NorWest Community Health Centre will open their doors! This is going to represent a serious upgrade.

Shortly afterwards, another company looking to upgrade their workspace will be joining us at 4785 Highway 11/17. At this time, the Rapport Credit Union is poised to fill the third and final spot in our new facility. Rapport is aiming for an opening in the Fall of 2022. We could not be more excited to balance out this facility with another professional company focused on enhancing services in our community.

Our team is not finished pursuing our goal to improve healthcare services. The last 2+ years have been unique. As pharmacists we've answered the call to provide vaccines, administer tests and report data during the COVID-19 pandemic. Our scope of practice is continuing to expand, and we look forward to the next opportunity for increasing our capacity to serve our community. Until next time, keep your stick on the ice.
